

**Saving time.  
Saving lives.**

# **SOS<sup>®</sup> SILENT<sup>™</sup>**

The SOS Silent is the best of both worlds allowing all Emergency Responder to open the gate with their 'YELP' siren. And it also has the features of the Gate Trigger giving 'silent' access to Emergency Responders.

**PUBLIC SAFETY  
WITHOUT PUBLIC FUNDS**

# **SOS<sup>®</sup>** Siren-Operated Sensor

## **GATE<sup>™</sup>**

### **TRIGGER**

No keys, codes, remotes or radios needed to open gates. Gates will automatically open when the Emergency responder is within range.

- Open gates silently
- Vehicle mounted RFID Tags
- No remotes, keys, codes or frequencies to lose or track
- No delay in waiting for gates to open
- For Emergency vehicles. With an adjustable range of up to 150 feet, gates will always be open when the emergency vehicle arrives at the gate
- RFID Transmits on Secure Format

**PUBLIC SAFETY  
WITHOUT PUBLIC FUNDS**
