This folding arm bends at a 90-degree angle to add extra security in places with low ceilings. The FOLDARM90 is compatible with all common gate operators, old or new. Industrial grade LEDs are solid red when the gate is fully closed, flashing red when in motion, and solid green when fully open. LEDs flash amber during interlock situations. Our FoldArm collection comes in different lengths for a perfect fit. Great for parking garages or gated entries under cover!

ITEM CODE	ROAD WIDTH	ARM HEIGHT FROM SHAFT C/L	ARM WIDTH*	MAX. CEILING HEIGHT
FOLDARM90-48-127	10’	4’ (48”)	10.5’ (127”)	7’ (84”)
