

SUPERIOR SOLUTIONS FOR GATE SAFETY & SECURITY

**DROP RODS
RELIABLE
IN-GROUND
SECURITY**

At Gatemaster, we're committed to continuous innovation, delivering a range of products designed to enhance gate security. Our drop rods are specifically engineered to prevent gates from being forced apart, ensuring robust protection.

With options for both metal and wooden gates, our drop rods are built for heavy outdoor use, featuring solid construction and a durable galvanized or stainless steel finish.

Secure Locking Drop Bolt

Secure your double gates with this simple yet innovative locking drop bolt.

Designed for strength and ease of use, it fits easily to the gate with expanding fasteners. Made for double gates, the locking plate is rotated round the edge of the gate frame, and cannot be lifted once the second gate is closed.

- **Robust Build:** Strongly constructed and available in aluminium or stainless steel finishes for durability.
- **Easy to Install:** Requires only two 1/2" holes in the gate and secures with the included expanding fasteners.
- **Adaptable Design:** Suitable for both left- and right-handed gates.
- **Simple to Secure:** When the drop bolt is lowered and rotated, closing the second gate ensures it cannot be unlocked.

"Talked me through the gate issue, gave very useful specific advice."

AVAILABLE VERSIONS

LDB	Locking drop bolt, aluminium
LDBSS	Locking drop bolt, stainless steel

Auto-Locking Drop Bolt

Secure your double gates with this heavy-duty auto-locking drop bolt.

Designed for durability and functionality, the drop bolt locks securely into position when lowered and rotated, with the lifting plate folding across the edge of the gate. Once the second gate is closed, the bolt cannot be unlocked.

- **Robust Build:** 3/4" drop bolt with a 3 15/16" throw ensures the gate is firmly secured into the ground.
- **Flexible Installation:** Available in both weld-fix and bolt-on versions to suit your requirements. The bolt-on version is supplied with fixing bolts
- **Clever Security:** Ingenious design prevents the drop bolt from being lifted when both gates are closed.
- **Versatile Design:** Suitable for use with both left- and right-handed gates.

AVAILABLE VERSIONS

ADB	Weld-on
ADBS	Screw fixed

Concealed Vertical Drop Bolt

Keep your gates secure with this sleek and tamper-proof drop bolt.

Designed to fit neatly within the box section of single or double gates, this innovative drop bolt is discreet, durable, and highly effective. Simply cut slots in the gate stile, weld in the supplied boxes, and assemble with M10 threaded bar (not included) for a secure and professional finish.

- **Tamper-Proof Design:** The drop bolt is fully enclosed within the gate frame for added security.
- **Simple Assembly:** Uses M10 studding that can be cut to length, making it suitable for a range of gate sizes.
- **Versatile Fit:** Compatible with any box section larger than 1 3/16" x 1 3/16".
- **Clever Security for Double Gates:** On the double-gate version, the drop bolt can be lowered, rotated, and locked in position. Closing the second gate ensures it cannot be unlocked.

Available in two versions: one for single gates and one for double gates.
