APS Hydraulic Gate Closer & Hinge Kit

Ensure safe and adjustable gate closure with this unobtrusive hydraulically controlled gate closer. Designed with proven technology, this kit is perfect for gates that require automatic self-closing functionality.

- **Safe Dual-Phase Closing:** The APS closer features controlled dual-phase closing speeds, preventing the gate from slamming and ensuring user safety.
- **Fully Adjustable:** Closing and latching speeds can be customized to suit the specific use case.
- **Strong Performance:** Capable of reliably closing gates up to 375lbs in weight.
- **Vandal-Resistant:** The durable closing unit is mounted underneath the gate, offering added protection from tampering.
- **Unobtrusive Design:** Installed at the bottom of the gate, the closer also functions as a load-bearing lower hinge, keeping the system compact and efficient.
- **No Power Needed:** As a hydraulic closer, it operates without the need for any electricity.
- **Hinge Options:** Choose between a standard built-in hinge (APS) or one with a built-in stop to prevent the gate from opening beyond 90° and damaging the closer (APSSTOP).
- **Bolt-On Version Available:** Also available as a bolt-on version (APSW) for flexible installation.

APSSTOP SHOWN IN GATE

AVAILABLE VERSIONS

APS	Standard hinge
APSSTOP	Gate closer with stop hinge
APSW	Gate closer, bolt-on installation

Gate Closing Strut

Ensure smooth and reliable gate closing for both metal and wooden gates with the GSB gate closer. Perfect for gates weighing up to 175lbs, this durable closer uses hydraulic damping to ensure the gate closes slowly and steadily. Simply weld or screw fix the brackets to the gate and post, and attach the closer for consistent, reliable performance.

- **Proven Reliability:** Our trusted gate closer solution has been reliably closing gates for years.
- **Adjustable Force:** No need to release gas—simply move the closer along the brackets to adjust the closing force, giving you full control over the gate's movement.
- **Effortless Fitting:** Adjustable brackets ensure easy installation, with no need to compress the strut.
- **Versatile Installation:** Comes with both weld-on and screw-fix brackets, allowing easy fitting to a wide range of gate types.
- **Handles Heavier Gates:** Can close much heavier gates if the hinges are free-running; contact us for advice on your specific gate.
- **Optional Force Reduction:** For permanent force reduction, a gas release tool is available—get in touch with the Gatemaster team for more details.

Available with weld-fix or screw-fix brackets, the GSB gate closer is suitable for both metal and wooden gates.

SCREW-FIX VERSION (GSBW) SHOWN FITTED TO GATE

AVAILABLE VERSIONS	
GSB	Weld-fix bracket
GSBW	Screw-fix bracket

Light Duty Spring Closer

Keep access gates safely closed with this light-duty gate closer. For gates requiring a reliable and safe closing mechanism, this closer is easy to weld onto smaller gates and fabrications, ensuring consistent and dependable performance. This dependable gate closer is a perfect solution for ensuring safety on access gates for commercial and work sites.

- **Effortless Installation:** Simply weld on the lugs and adjust the force as needed.
- **Customisable Tension:** On-site spring tension adjustment is quick and easy—just lift and rotate the adjuster wheel.
- **Ready to Finish:** Supplied to self-color, allowing for galvanising and painting to match the gate.
- **High Quality & Long-Lasting:** Precision engineered and built with durable materials to provide reliable performance and withstand daily use over time.
