Simply slot into pre-cut holes in the gate for quick fitting.
- 5**

**Versatile Adjustment:**  
Adjustable latch tip for both left- and right-handed gates.

## ML4 Mortise Hook Lock

The **Gatemaster Mortise Hook Lock** offers a perfect blend of strength, security, and stylish design for professional gate systems.

This innovative stainless steel lock combines a latch and deadlock in a single-action bolt, offering exceptional durability and effortless installation. Designed for 1 1/2"x1 1/2" box sections, it slides neatly into place without the need for drilling or tapping.

- **Extra-Strong:** Proven to withstand 1,000,000 openings for long-lasting performance.
- **Effortless Installation:** Once the profile is cut, the lock slides into position and secures with its own fixings.
- **Highly Secure:** The solid stainless steel hooked bolt resists forcing or levering attempts by intruders.
- **Weatherproof:** Constructed with premium stainless steel and brass components for superior corrosion resistance.
- **Universal Fit:** Adjustable latchbolt makes it suitable for both left- and right-handed gates.
- **Easy Operation:** Operate the latch with a handle or key, and deadlock it for added security.
- **Customisable Style:** Choose a separate cylinder and handle cover for a clean, minimal look or a one-piece polished cover plate for a sleek finish.
- **Comprehensive Kit:** Includes bolt-on keep, handles, cover plates, and a euro cylinder for a complete installation.

LEFT - GATE WITH FULL COVER AND ORNAMENTAL (O) HANDLES

RIGHT - GATE WITH DUAL COVER AND PLAIN (P) HANDLES

AVAILABLE VERSIONS	
ML4DCP	Kit with dual cover, plain handles
ML4DCO	Kit with dual cover, ornamental handles
ML4FCP	Kit with full cover, plain handles
ML4FCO	Euro cylinder extends 2 3/8"

## Mortise Lock Keep (Included with the ML4)

Complete your gate system with this keep, designed to pair seamlessly with the mortise hook lock. The stainless steel lock keep enhances the gate post's appearance while providing a secure and professional finish.

- **Sleek Design:** Covers the slot in the gate post for a neat, unobtrusive look.
- **Effortless Installation:** Simply bolts to the gate post using the included innovative expanding fasteners.
- **Adjustable Fit:** Compatible with post sizes from 1 1/2" to 2 1/4".
