

# CARD READER BOX

Rugged outdoor box for card readers

## CRB100 Series

- Outdoor metal housing for Linear & Securakey readers
- Recessed design with built-in LED light
- Card readers not included

The CRB100 Card Reader Box offers a rugged outdoor box for Linear and Securakey card readers. The recessed design protects the card reader and has built-in LED lighting for nighttime use. The vandal resistant design includes a hinged and lockable door for easy access.
