

CDLK COMMERCIAL DOOR LIGHT KIT

The Commercial Door Light Kit (CDLK) wires into any existing operator. Our patented LED controller detects the open and close signals from the door operator and responds by changing the lights. Industrial grade LEDs are solid red when the door is fully closed, flashing red when in motion, flashing amber just prior to closing, and solid green when fully open. Use on left/right or in/outside of the door. Perfect for fire stations, commercial warehouses and cold storage facilities!

ITEM CODE	HEIGHT	LEDs	LED HARNESS CABLE	LED RETAINER TRACK (5')
CDLK5-1	5'	1	30'	1
CDLK5-2	5'	2	30' (2)	2
CDLK5-3	5'	3	30' (3)	3
CDLK5-4	5'	4	30' (4)	4
CDLK10-1	10'	1	30'	2
CDLK10-2	10'	2	30' (2)	4
CDLK10-3	10'	3	30' (3)	6
CDLK10-4	10'	4	30' (4)	8
CDLK15-1	15'	1	30'	3
CDLK15-2	15'	2	30' (2)	6
CDLK15-3	15'	3	30' (3)	9
CDLK15-4	15'	4	30' (4)	12
CDLK20-1	20'	1	30'	4
CDLK20-2	20'	2	30' (2)	8

OPTIONS & ACCESSORIES	
Horn (Audible alert prior to door closing)	
LED Harness Cable Upgrade (40', 60', 80', 100')	
LED High-Brightness (+30%)	
LED Retainer Track (TRACKSNG5-CLASSIC, TRACKSNG5, TRACKDUAL5, TRACK995, TRACK905, TRACK455)	
NEMABOX Options & Accessories	
Pre-Announce (Flashes amber before closing)	
Track Tape Kit (High strength double sided tape preinstalled)	
TRANSFORM480AC-110AC-100VA	

KIT COMPONENTS
LED Strip (1 to 4) *
30' LED Harness Cable (1 to 4) *
LED Retainer Track (1 to 12) *
LED Door Controller (CONTROL-CDLK)
DC Power Supply (PS24VIN-2.5A)
Signal Wire (22-4 10')
#6 Mounting Screws (6 to 61) *
Installation Manual

*Quantity depends on item code.
