

SOS-MIC

Microphone for all previous SOS units.

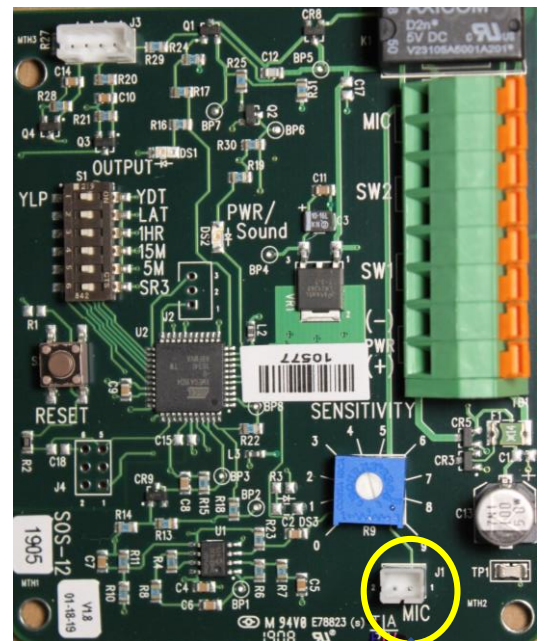

The SOS-MIC is the replacement mic for the following SOS models:

- SOS II
- SOS VIII
- SOS IX
- SOS X
- SOS 12
- SOS Silent
- SOS Gate Trigger
- SOS Remote Microphone

Installation Instructions

1. Unplug the old microphone from the circuit board.
2. Remove the old microphone from the foam or gasket holding it in place and throw away.
3. Put the new microphone in the foam or gasket.
4. Plug in the two prong plug into the circuit board.
